

The Fixture Gallery at Consolidated Supply

Prepare for Your Visit

In order to maximize the value of our time spent together, we suggest you come prepared with the following items for your appointment:

- 1. Your plumber's or builder's name/company name and contact info**
- 2. A set of plans if applicable**
- 3. Job site address**
- 4. Budget for project**
- 5. Time frame of the job**
- 6. Ideas/pictures of examples that you like (Houzz/Pinterest)**

Depending on the size and complexity of your project, appointments can take 2-3 hours for new construction and 1-2 hours for smaller renovations. As each project is unique, it might be necessary to schedule additional time to complete the selection process.

We look forward to seeing you soon!
